

CBM MEDICAL – Enquiry Steps

ANATOMICAL MODEL ENQUIRY, PLEASE FOLLOW OUR **FIVE** SIMPLE STEPS:

1. ENQUIRE

Please send your request details which are outlined in our **CBM MEDICAL - Request Form** via email, or the form can be printed and posted with your CD-ROM.

2. DATA

Send using CBM's secure file transfer portal OR by post (CD or DVD) to:

CBM,
Wales Centre for Advanced Batch Manufacture,
Ethos Building,
Kings Road,
Swansea,
SA1 8AS.

Please send the encrypted disc password via email to enquiries@cbmwales.co.uk OR send independently via post.

3. QUOTE

Once scan data and completed **CBM MEDICAL - Request Form** are received, CBM will assemble a quote with images which will be sent to the client's email address to review prior to manufacture.

Quotes vary on a case-by-case basis depending on the size, complexity and chosen material of the request.

4. ORDER

Stage sign off of the final device(s) **MUST** be received prior to manufacture. Once the client is happy to proceed with the order, please send your purchase order number to CBM email enquiries@cbmwales.co.uk.

5. DELIVER

Once manufactured the order will be dispatched by Royal Mail Next Day Delivery if within the UK. The order package will include the device, CD-ROM scan data, chosen material data sheet, order printout and a delivery note.

SURGICAL GUIDE AND/OR IMPLANT ENQUIRY, FOLLOW OUR **SIX SIMPLE STEPS:**

1. ENQUIRE

Please send your request details which are outlined in our **CBM MEDICAL - Request Form** via email, or the form can be printed and posted with your CD-ROM.

2. DATA

Send using CBM's secure file transfer portal **OR** by post (CD or DVD) to:

CBM,
Wales Centre for Advanced Batch Manufacture,
Ethos Building,
Kings Road,
Swansea,
SA1 8AS.

Please send the encrypted disc password via email to enquiries@cbmwales.co.uk OR send independently via post.

3. SPECIFICATION

CBM will arrange a time with you to meet in person or share our screen via an online meeting service. CBM requires a client specification of the guide and/or implant in order to fulfil the client expectations. For complex cases multiple meetings may be required.

4. QUOTE

Once scan data and completed **CBM MEDICAL - Request Form** are received, CBM will assemble a quote with images which will be sent to the client's email address to review prior to manufacture.

Quotes vary on a case-by-case basis depending on the size, complexity and chosen material of the request.

5. ORDER

Stage sign off of the final device(s) **MUST** be received prior to manufacture. Once the client is happy to proceed with the order, please send your purchase order number to CBM email enquiries@cbmwales.co.uk.

6. DELIVER

Once manufactured the order will be dispatched by Royal Mail Next Day Delivery if within the UK. The order package will include the device, CD-ROM scan data, chosen material data sheet, order printout and a delivery note.
